SPEAKER & HOST

KEYNOTES · PANELS · HOST

You are not booking a speaker. You are bringing in infrastructure: a platform, a growing Vegan community and an operator who has done this at every scale.

WHAT I DO HERE

The keynote
From Blur to Blueprint: the origin story and the system that came out of it.

Every room
Movement architecture, K-12 transformation, Vegan community building, AI as operating system.

The production
A run-of-show drafted within a week. Sean solo or with full LESARUSS production.
